

391-3-10-.12 FEES.

- (1) Beginning July 1, 1992, a fee of \$10.00 shall be charged by each emission inspection station for performance of the emission inspection and emission control equipment inspection. No emission inspection station shall offer discounts or sponsor other promotional activities which would decrease the fee charged by an emission inspection station for performance of an emission inspection and emission control equipment inspection.
- (2) Beginning July 1, 1992, the station shall be required to remit to the Implementing Authority an administrative fee of \$1.00 for each inspection sticker provided. The Implementing Authority shall remit \$.25 of each administrative fee to the appropriate county governing authority for each inspection performed with that County which results in the issuance of a valid emission sticker. Seventy-five cents (\$.75) shall be remitted to the Implementing Authority for providing oversight of inspections, training of mechanic inspectors, and other costs associated with implementation of the Vehicle Emission Inspection and Maintenance Program.
